

D2D HOCKEY: COVID-19 PROTOCOLS

- Sign and submit this form 1-2 day prior to first session. Must submit to participate!
- Do not attend your sessions, or come to the facility, if you are experiencing any symptoms (below).
- Skaters can enter the arena no more than 15min prior to the start of the session. Please refrain from trying to enter early. An arena staff member will be at the entrance – if you are early they will not let you proceed.
- ALL individuals entering the facility must complete appropriate screening procedures upon entrance to the facility to help ensure efficient screening, users are encouraged to pre-screen utilizing the CANATRACE app prior to entering the facility, and show staff the green check mark upon entry
- Dressing rooms will be available and assigned for each group. A maximum of 10 participants are permitted in each room.
- Skaters may come dressed and ready minus skates, helmet and gloves. You may bring those in a small bag.
 - Skaters who are able to tie their own skates can do so in the designated dressing room.
 - For those skaters who need help, one parent/guardian may enter to tie their skates.
- FACE MASKS REQUIRED. They must be worn upon entry and exit of the facility (not required while on the ice). D2D will not be supplying face masks – please be sure to purchase some if needed.
- The arena provides hand sanitizer. It must be used upon entry and exit of the arena.
- Water bottles are permitted and will be kept apart. There will be no sharing of water bottles. Please be sure to label yours!
- No spitting or rinsing your mouth with water onto the ice or facility floor.
- Small bags are permitted for essential items only (ie. skates, inhalers etc.). If it is something that must come in bags need to be able to shut (ie, zipper) and must stay in your designated area.
- Social distancing protocols will be followed throughout the facility and on the ice. 2m physical distancing at all times (lining up to enter/exit the facility/ice surface etc.).
- Washrooms are available for use. However, if you can be sure a "pit-stop" is made prior to our session it may ensure we don't need to use the washrooms. Showers will be closed.
- 1 parent/guardian is permitted inside the arena to watch. Please adhere to physical distancing guidelines (2m) while on facility grounds.
- At the end of the session, all participants must exit the arena within 15min.
- Please go over this information with your skater to ensure they understand the expectations.

COVID-19 SCREENING QUESTIONNAIRE

1. Do you have any of the following symptoms?

<input type="checkbox"/> Cough	<input type="checkbox"/> Runny Nose	<input type="checkbox"/> Loss of taste/ smell
<input type="checkbox"/> Sore Throat	<input type="checkbox"/> Headache	<input type="checkbox"/> Sneezing/congestion
<input type="checkbox"/> Vomiting	<input type="checkbox"/> Difficulty Swallowing	<input type="checkbox"/> Shortness of Breath
<input type="checkbox"/> Fever (38.8C)	<input type="checkbox"/> Diarrhea	<input type="checkbox"/> Conjunctivitis/Pink Eye
